

Corry Higher Education Council Computer Lab Rental

Prefer to supply your own computer instructor? We'd be happy to provide you access to our state-of-the-art computer lab at very reasonable prices!

Our lab is equipped with Dell computers running Windows VISTA and Microsoft Office 2007. The lab is Internet-connected via high-speed DSL service and is also equipped with a projector, making it easy for students to follow the instructor's every move by projecting it to the front of the classroom!

This lab can accommodate up to 15 students and is air-conditioned for student comfort.

Computer Lab Rental Cost:

- \$150 for up to 4 hours in a day.
- \$200 for 4+ hours in a day.
- Discount for multiple-day use: 15% off total.

Terms & Conditions: Company renting lab is responsible for loading and unloading any additional software that may be required for the training, at a time convenient to Corry Higher Education Council.

If a Corry Higher Education Council employee is required to return the computer lab to proper operating environment, said work will be performed at a cost of \$40 per hour and billed to the Company. If contracted services are required to restore lab, those costs will be billed to the Company.
